

International Journal of Engineering Sciences and Emerging Technologies (IJESET)

ISSN: 2231 – 6604

CALL FOR PAPERS

International Journal of Engineering Sciences and Emerging Technologies (IJESET) is a reputable venue for publishing novel ideas, state-of-the-art research results and fundamental advances in all aspects of emerging technologies in sciences and engineering systems. IJESET is a scholarly open access, peer-reviewed, interdisciplinary, bi-monthly and fully refereed international journal focusing on to provide the academic and industrial community a medium for presenting original research and applications related to recent developments in the field of Engineering Sciences and Emerging Technologies. All submitted articles should report original, previously unpublished research results, experimental or theoretical, and will be peer-reviewed.

Manuscripts should follow the style of the journal and are subject to both review and editing. IJESET covers all areas of Engineering sciences and Technology, publishing refereed research articles, survey articles, and technical notes. IJESET ensures timely reviews of papers after submission and publishes accepted article online immediately upon receiving the revised manuscript as per the reviewer's comments and publication charge.

Aim & Scope

The journal aims to cover the fields of Engineering Sciences & Emerging Technology but not limited to the following:

Telecommunication Engineering	Fault Tolerance	Microwaves, Antennas, Propagation
System safety and Security	Embedded Systems & Applications	Microstrip circuits and components
System Engineering	Electronics Engineering	Mechatronics
Software Engineering	Electromechanical System Engineering	Mechanical Engineering
Signal Processing	Electrical Engineering	Materials Engineering
Signal Processing & applications	Digital Speech Processing	Manufacturing Engineering
Sensors and measuring techniques	Design engineering	Intelligent Systems
Scattering, RF-IC, SOC	Data Engineering	Information Technology
Satellite Communications	Data Compression	Industrial Engineering
Routing, Scheduling and Switching	Control and Computer Systems	Geological Engineering
Robotics and Intelligent Sensing	Computer Software / Hardware	Aeronautical Engineering
Remote sensing	Computer Science Engineering	Automotive Engineering

IMPORTANT DATES

Last Date for Paper Submission : 15-01-2012

Last Date for Notification : 20-01-2012

Publication Due Date : 01-02-2012

URL: <http://www.ijeset.com>

E-mail for Manuscript Submission:

submission@ijeset.com

editor@ijeset.com

Regards,
Editor ,IJESET
